Four Mountain Sports

Book in advance and save 35% off the walk-in rate!

Most convenient rentals at Aspen Snowmass
Four Mountain Sports is your mountain authority. With convenient locations across our four mountains, it's never been easier to rent equipment and swap gear to suit the day's conditions.

Avoid the lines with early pick-up
Visit any Four Mountain Sports location after 2pm the day before your rental begins to pick-up your gear at no additional charge.

Free Equipment Storage and Transfer
We'll look after your skis and snowboard so you don't have to. Simply drop off equipment at the corral located at the base of each mountain. Looking to ski a different mountain the next day? We'll transfer your ski and snowboard equipment to any of our four mountains for free, which eliminates the hassle of carrying your equipment.
This service is available for a fee if you don't rent your equipment through Four Mountain Sports.
